**Explanatory Notes:**

The quotations for each item procured were requested from all service providers that were provided by National Treasury, which are also registered on the National Treasury Central Supplier Database.

The quotations received were evaluated accordingly in line with National Treasury regulations and the suppliers with the lowest quotes, which complied with the specifications, respectively, were appointed to deliver the items.

The approval of the recommended suppliers for each item was done in line with the Departmental Financial Delegations of Authority, which are informed by the Treasury Regulations.
