Dear Mr Tlhakudi

PRESIDENTIAL COMMITTEE ON COVID-19 RELATED GOODS AND SERVICES

Please find below our response to the mandate of the Presidential Committee as instituted by the President to ensure that Denel's procurement of COVID-19 related goods and services are transparent, equitable, cost effective and fair.

Denel has reprioritized other spend to accommodate for spend associated with the fight against the Covid-19 virus. To date, the budget is equal to the spend amount and, if and when required, the budget will be appropriately supplemented to ensure that the SOC effectively deal with the requirements to keep personnel and other stakeholders safe as required by law.

To-date an amount of R2 934 442.08 has been spent (in the form of official orders placed).

1. The following are the service providers that have been appointed:
