6	The Bank holds equity stake in a number of entities as part of the efforts to transform the sector. These equity stakes must be revalued annually by independent auditors.	May-21	Jun-21	Jun-2
7	The Bank has appointed SLA partners to manage certain SLA portfolios in exchange for an agreed remuneration. The remuneration is reviewed by independent service provider annually to ensure that the fees paid by the Bank are correct and accurate in line with the SLA agreement.	May-21	Jun-21	Jun-2
8	The Bank has appointed SLA partners to manage certain SLA portfolios and the strength of internal controls at SLAs must be tested annually by an independent service provider who must then provide ISAE 3402 Type 2 report in line with the audit standards. The work is done once a year (once off exercise annually)	May-21	Jun-21	Jun-21
9	Non-performing loans (NPLs) are an area of concern for the bank. There is a need to explore and deploy an end-to-end NPL predictive tool that can help the Bank proactively prevent defaults before they occur. This will become critical as the bank continues to insource SLA portfolios and move towards a development book which tends to be easily affected by macro and micro conditions. This will need to a specially designed tool for agri sector, which is susceptible to various climatic and economic factors.	May-21	Jun-21	Jun-2
