8	SA Tourism is seeking a research supplier to assist SA Tourism in designing and implementing a robust Market Prioritization and Investment Framework. SA Tourism's strategies are centered around optimizing the utilization of available resources, and every three to five years, we undergo a data-driven process to identify the markets South Africa should invest in for the future. The goal is to determine which markets to grow and defend our market share. Our existing framework, known as the Marketing Investment and Prioritization Framework, serves as a guide for making investment choices. It aligns targets, market selection, and available resources to establish optimal marketing investments.	Jul-24	Aug-24	Nov-24
9	This tender is looking at appointing a service provider to assist with the creation of a Net Promoter Score that can be tracked overtime (within a 3-year period of the contract). The Net Promoter Score is an index ranging from 0 to 100 that measures the willingness of customers or tourists to recommend the property they visited, including all the experiences associated with that visit, to others. It is used as a proxy for gauging our visitor's overall satisfaction with the establishment's experience and/or service, as well as the customer's loyalty to the property.	Jul-24	Aug-24	Nov-24
10	The purpose of the research is to aid SA Tourism in monitoring the performance of South Africa's business events sector. Specifically, the study focuses on international and regional business events held during a specified period, assessing their economic impact on the South African economy. The results will inform evaluations of South Africa's competitiveness as a business events destination and guide future studies in this area. Key insights sought include the number and format of events, delegate attendance, economic contributions in Rand, event locations, seasonality, event details (such as type and sector), and the economic impact utilizing multipliers to measure direct, indirect, and induced effects on the	Jul-24	Aug-24	Nov-24
