	1	Procurement of funding for the MCWAP-2A project. The total project cost is ca. R12,3 billion. The funding strategy still needs to be provided to Board for approval upon which the funding to be raised in 2020/21 will be known. EIA might delay the project in which case the timing of funding procurement could also be delayed. Final value of funding to be procured will also be determined through tender process of construction contracts.	Sep-20	Oct-20	Dec-20
