NATIONAL TREASURY SCM CIRCULAR NO 8 OF 2016/2017

Dear Colleagues

MOBILE COMMUNICATION SERVICES

Please be advised that the contract for the supply and delivery of Mobile Communication Services to the state under RT15-2016 has been awarded to Vodacom (Pty) Ltd with effect from 15 September 2016.

As such, you are kindly encouraged to make use of the afore-mentioned contract when procuring Mobile Communication Services as this will ensure substantial cost-cutting benefits for your institution of up to forty percent (40%).

Accounting Officers and Accounting Authorities must follow the prescribed process to participate in transversal contracts.

You are further advised that Circular No 2 of 2016/2017 addressing the transition period whilst National Treasury was embarking on a procurement process for the Mobile Communication Services has thus run its course and is being superseded by the contract circular: RT15-2016, which can be found at the link below:
